## THE LOFT AT THE IVY CLUB

The Ivy Club plays host to members from the arts, media and business worlds, providing a place to work, relax and socialise in the heart of London's West End.

Designed with a fresh and imaginative art deco take on its sister property The Ivy, The Ivy Club is set over three floors that reflect the restaurant's unique atmosphere, combining comfort and style, form and function. Located on the top floor of The Ivy's landmark building, The Loft is an ideal space for private events, from relaxed breakfast presentations and intimate dinners to big, vibrant cocktail parties.

Dazzling in the day and seductive by night with its baby grand piano and striking private bar, The Loft offers all you need to make your event extraordinary.
